"One of the most acute and thoughtful achievements of French fiction at mid-century." -- New York Times

PART MEMOIR AND PART ELEGY, THIS STORY OF A DAUGHTER COLLECTS ESSAYS, ARTICLES, AND PLAYS BY THE FRENCH WRITER, INCLUDING "A STORIES I UNDERSTAND," "ON WOMEN," AND "WHAT CAN I BELIEVE." Mortal Questions explores "who am I," asking the question from four different points of view, and then putting the questions in the context of the meaning, nature and value of human life. Questions about our attitudes to death, sexual behaviour, social inequality, war and political power are shown to lead to more obviously philosophical problems about personal identity, consciousness, freedom, and value.

The original and illuminating book aims at a form of understanding that is both theoretical and personal in its lively engagement with what are literally issues of life and death. From the groundbreaking author of The Second Sex comes a radical argument for ethical responsibility and freedom. In this classic introduction to existentialist thought, French philosopher Simone de Beauvoir's The Ethics of Ambiguity simultaneously pays homage to and grapples with her French contemporaries, philosophers Jean-Paul Sartre and Maurice Merleau-Ponty, by arguing that the freedoms in existentialism carry with them certain ethical responsibilities. De Beauvoir outlines a series of "ways of being" (the adventurer, the passionate person, the lover, the artist, and the intellectual), each of which carries the former's deficiencies, and therefore can live up to the responsibilities of freedom. Ultimately, de Beauvoir argues that in order to achieve true freedom, one must battle against the choices and activities of those who suppress it. The Ethics of Ambiguity is the book that launched Simone de Beauvoir's feminist and existential philosophy. It remains a concise yet thorough examination of existence and what it means to be human.

A PULITZER PRIZE FINALIST A Publishers Weekly Best Book of the Year The National Book Award-winning biographer Deirdre Bair explores her fifteen remarkable years in Paris with Samuel Beckett and Simone de Beauvoir, painting intimate new portraits of two literary giants and revealing secrets of the biographical art. In 1971 Deirdre Bair was a journalist and recently minted Ph.D. who managed to secure access to Nobel Prize-winning author Samuel Beckett. He agreed that she could be his biographer despite her never having written—or even read—a book before. The next seven years comprised of intimate conversations, intercontinental research, and peculiar cat-and mouse games. Battling an elusive Beckett and a string of jealous, misogynistic male writers, Bair persevered. She wrote Samuel Beckett: A Biography, which went on to win the National Book Award and propel Deirdre to her next subject: Simone de Beauvoir.

The catch? De Beauvoir and Beckett despised each other—and lived essentially on the same street. Bair learned that what works in terms of process for one biography rarely applies to the next. Her seven-year relationship with the domineering and difficult de Beauvoir required a radical change in approach, yielding another groundbreaking literary profile and influencing Bair's own feminist beliefs. Parisian Lives draws on Bair's extensive notes from the period, including never-before-told anecdotes. This gripping memoir is full of personal warmth and insight gives us an entirely new window on the all-too-human side of these legendary thinkers.

The first complete, scholarly edition of Beauvoir's essays in English translation Despite growing interest in her philosophy, the works of Jean-Paul Sartre and Simone de Beauvoir are often widely misunderstood. She is typically portrayed as a mere intellectual follower of her companion, Jean-Paul Sartre. In Philosophical Writings, Beauvoir herself shows that nothing could be further from the truth. Beauvoir's philosophical work suffers from a lack of English-language translation or, worse, mistranslation into heavily condensed popular versions. Philosophical Writings provides an unprecedented collection of complete, scholarly editions of philosophical texts that cover the first twenty-three years of Beauvoir's career, including a number of recently discovered works. Ranging from metaphysical literature to existentialist ethics, Philosophical Writings brings together diverse elements of Beauvoir's work while highlighting continuities in the development of her thought. Each of the translations features detailed notes and a scholarly introduction explaining its larger significance. Revelatory and long overdue, Philosophical Writings adds to the ongoing resurgence of interest in Beauvoir's thought and to her growing influence on today's philosophical curriculum.

A beautiful monograph, ELEGY, READING MY FATHER IS THE STORY OF A DAUGHTER COMING TO KNOW HER FATHER AT LAST—A GIANT AMONG MANKIND, A GIANT AMONG MANKIND.
nature - were honored. And the moon, which waxed and waned in predictable cycles, was a symbol for the birth, growth, death, and renewal of life on Earth. Moon Power's 12 chapters each represents a moon sign. The introduction describes what's meant by Moon Power, provides some history about ancient moon worship, and explains why it went underground. The basis of moon power lies in the timing of new and full moons, and the meaning of the moon phases are explained. Only the names of the signs are included. The book offers guidance on working with each moon sign as it passes through (i.e. when the moon is in Aries, take assertive action, but watch impulsivity). Each chapter includes a profile of a powerful woman who typifies her lunar sign (Angelina Jolie, Aries Moon; Malala Yousafzai, Libra Moon). A Goddess and Power Animal for each moon sign and activities and rituals for honoring the energy during the week provided. Moon Power encourages women to develop their lunar nature. It will show them how, through reflection, ritual, and purposeful action, to understand their emotional nature and inner selves more deeply. Commanding the Wasp, a space warship, Kris Longknife, hunting for pirates beyond the Rim, stumbles upon a plan to kill one of the members of the aristocratic Peterwald family and discovers that the would-be killers are serving a different kind of plan to take over the Rim. Ross Sherman just can't believe she just made a deal with the devil? During a blackout at a black-tie gala, Shay Neal says yes to one night with billionaire Gideon Knight. Knowing he's her brother's enemy with plans for payback! Now, to save her brother, Shay must pretend to be in love with Gideon, but playing his game means resisting the very real desire that could destroy them both. USA TODAY best-selling author has her most novel, The Mandarins. Simone de Beauvoir urges an unflinching look at Parisian intellectual society at the end of World War II. In fictionalizing the stories of those around her -- Jean-Paul Sartre, Albert Camus, Arthur Koestler, Nelson Algren -- de Beauvoir dissects the emotional and philosophical currents of her time. At once an engrossing drama and an intriguing political tale, The Mandarins is the emotional odyssey of a woman torn between her inner desires and her public life. "Much more than a roman a clef . . . a moving and engrossing novel." -- New York Times

An analysis of Beauvoir's ethics of liberation leads to philosophical readings of her great works of applied ethics, The Second Sex and Old Age. Finally, Beauvoir's contribution to continuing debates about consciousness, the body, the self and the other is reassessed. The publication of this Introduction to Beauvoir's Philosophy is an important contribution to the current renaissance of Beauvoir studies. Clear, accessible and locally, this book is essential reading not only for students of Beauvoir but for anyone interested in the submerged record of women's impact on philosophy. A study of actresses playing the role of Hamlet on stage and screen. A portrait of 1940s America by a French writer, eg. "The constipated girl smiles a loving smile at the lemon juice that relieves her intestines. In the subway, in the streets, on magazine pages, these smiles pursue me like obsessions. I read on a sign in a drugstore, 'Not to be given is a sin.' Everyone obeys the order, the system. 'Cheer up! Take it easy.' Optimism is necessary for the country's social peace and economic prosperity." Mr. Glassco's second book of poems will consolidate the enviable reputation he won with The Deficit Made Flesh. In A Point of Sky he reveals himself as a philosophical poet in the classic tradition. The nobly meditative ode, 'The Autumn Resurrection', 'The Day', and 'The Crows' have a depth of feeling and a richness of expression that won with The Deficit Made Flesh. In A Point of Sky he reveals himself as a philosophical poet in the classic tradition. The nobly meditative odes, 'The Autumn Resurrection', 'The Day', and 'The Crows' have a depth of feeling and a richness of expression that
1926-27 diary of the teenager who would become the famous French philosopher, author, and feminist, Simone de Beauvoir. Written years before her first meeting with Jean-Paul Sartre, these diaries reveal previously unknown details about her life and offer critical insights into her early philosophy and literary works. Presented here for the first time in translation and fully annotated, the diary is completed by essays from Barbara Klaw and Margaret A. Simons that address its philosophical, historical and literary significance. The volume represents an invaluable resource for tracing the development of Beauvoir's independent thinking and influence on the world.”—Publisher's description.An Entertainment Weekly Top 10 Romance of 2018! I'm not a good man, and I've never pretended to be. I don't believe in goodness or God or any happy ending that isn't paid for in advance. In fact, I've got my own personal holy trinity: in the name of money, sex, and Macallan 18, amen. So when the gorgeous, brilliant Zenny Iverson asks me to teach her about sex, I want to say yes, I really do. Unfortunately, there are several reasons to say no—reasons that even a very bad man like myself can't ignore. 1. She's my best friend's little sister. 2. She's too young for me. Like way too young. 3. She's a nun. Or about to be anyway. But I want her. I want her even with my best friend and God in the way, I want to teach her and touch her and love her, and I know that makes me something much worse than a very bad man. It makes me a sinner. And it's those very sins that are about to save me ***Sinner is a standalone companion to Priest about Father Bell's brother Sean. You do not have to read Priest or Midnight Mass to read Sinner***“One is not born a woman, but becomes one”, Simone de Beauvoir A symbol of liberated womanhood, Simone de Beauvoir's unconventional relationships inspired and scandalised her generation. A philosopher, writer, and feminist icon, she won prestigious literary prizes and transformed the way we think about gender with The Second Sex. But despite her successes, she wondered if she had sold herself short. Her liaison with Jean-Paul Sartre has been billed as one of the most legendary love affairs of the twentieth century. But for Beauvoir it came at a cost: for decades she was dismissed as an unoriginal thinker who ‘applied’ Sartre's ideas. In recent years new material has come to light revealing the ingenuity of Beauvoir's own philosophy and the importance of other lovers in her life. This groundbreaking biography draws on never-before-published diaries and letters to tell the fascinating story of how Simone de Beauvoir became herself.
