The Lover

The award-winning screenplay for the classic film the New York Post hailed as “overwhelming . . . a motion picture landmark.” One of the most influential works in the history of cinema, Alain Renais’s Hiroshima Mon Amour gathered international acclaim upon its release in 1959 and was awarded the International Critics’ Prize at the Cannes Film festival and the New York Film Critics’ Award. Ostensibly the story of a love affair between a Japanese architect and a French actress visiting Japan to make a film on peace, Hiroshima Mon Amour is a stunning exploration of the influence of war on both Japanese and French culture and the conflict between love and inhumanity.

Junior Laurel Songs

In this volume of four short novels, Duras demonstrates her remarkable ability to create an emotional intensity and unity by focusing on the intimate details of the relationships among only a few central characters: from the park bench couple in "The Square" (1955) to the double love triangle in "10:30 on a Summer Night" (1960), each novel probes the depths and complexities of human emotion, of love and of despair. Exceptional for their range in mood and situation, these four novels are unparalleled exhibitions of a poetic beauty that is uniquely Duras.

Unseen voices narrate this story of the affair between the haunting Anne-Marie Stretter and the disgraced French vice-consul in Lâhore. In the India of 1937, with the smell of laurels and leprosy permeating the air, the characters perform a dance of doomed love to the strains of a dying colonialism. Originally commissioned as a play for Britain’s National Theatre, India Song was made into a film that premiered at the 1975 Cannes Film Festival. American Cinematographer praised it for its “imaginative use of voices creating an echo chamber effect that perpetuates the past,” and Molly Haskell called it “Marguerite Duras’ most perfectly realized film, the most feminine film I have seen, a rarefied work of lyricism, despair, and passion, imbued with a kind of primitive emotional hunger that is all the more moving for its austere setting.”

At the Wolf’s Table

In this classic novel by the bestselling author of The Lover, erotic intrigue masks a chillingly deceptive form of madness. Elisabeth Alione is convalescing in a hotel in rural France when she meets two men and another woman. The sophisticated dalliance among the four serves to obscure an underlying violence, which, when the curtain of civilization is drawn aside, reveals in her fellow guests a very contemporary, perhaps even new, form of insanity. Like many of Marguerite Duras’s novels, Destroy, She Said owes much to cinema, displaying a skilful interplay of dialogue and description. There are recurring moods and motifs from the Duras repertoire: eroticism, lassitude, stifled desire, a beautiful woman, a mysterious forest, a desolate provincial hotel. Included in this volume is an in-depth interview with Duras by Jacques Rivette and Jean Narboni.

Destroy, She Said

On a stormy summer day the Aosawas, owners of a prominent local hospital, host a large birthday party. The occasion turns into tragedy when 17 people die from cyanide in their drinks. The only surviving links to what might have happened are a cryptic verse that could be the killer’s, and the physician’s bewitching blind daughter, Hisako, the only person spared injury. But the youth who emerges as the prime suspect commits suicide that October, effectively sealing his guilt while consigning his motives to mystery. The police are convinced that Hisako had a role in the crime, as are many in the town, including the author of a bestselling book about the murders written a decade after the incident, who was herself a childhood friend of Hisako and witness to the discovery of the murders. The truth is revealed through a skilful juggling of testimony by different voices: family members, witnesses and neighbours, police investigators and of course the mesmerizing Hisako herself.

Long acknowledged as one of the most important literary figures in France, Marguerite Duras has garnered worldwide praise for her work, from the acclaimed screenplay Hiroshima Mon Amour to the best-selling novel The Lover. In this volume of four short novels, Duras demonstrates her remarkable ability to create an emotional intensity and unity by focusing on the intimate details of the relationships among only a few central characters: from the park bench couple in The Square (1955) to the double love triangle in Ten-thirty on a Summer Night (1960), each novel probes the depths of human emotion, of love and of despair. Exceptional for their range in mood and situation, these four novels are unparalleled exhibitions of a poetic beauty that is uniquely Duras.
The international bestseller based on a haunting true story that raises provocative questions about complicity, guilt, and survival. They called it the Wolfsschanze, the Wolf’s Lair. “Wolf” was his nickname. As hapless as Little Red Riding Hood, I had ended up in his belly. A legion of hunters was out looking for him, and to get him in their grips they would gladly slay me as well. Germany, 1943: Twenty-six-year-old Rosa Sauer’s parents are gone, and her husband Gregor is far away, fighting on the front lines of World War II. Impoverished and alone, she makes the fateful decision to leave war-torn Berlin to live with her in-laws in the countryside, thinking she’ll find refuge there. But one morning, the SS come to tell her she has been conscripted to be one of Hitler’s tasters: three times a day, she and nine other women go to his secret headquarters, the Wolf’s Lair, to eat his meals before he does. Forced to eat what might kill them, the tasters begin to divide into The Fanatics, those loyal to Hitler, and the women like Rosa who insist they aren’t Nazis, even as they risk their lives every day for Hitler’s. As secrets and resentments grow, this unlikely sisterhood reaches its own dramatic climax, as everyone begins to wonder if they are on the wrong side of history.

Marguerite Duras is France's best-known and most controversial contemporary woman writer. Duras' influence extends from her early novels of the 1950's to her radically innovative experimental autobiographical text of the 1980's The Lover Leslie Hill's book throws new light on Duras' relationship to feminism, psychoanalysis, sexuality, literature, film, politics, and the media. Feted by Kristeva, and Laca who claimed her as almost his other self, Duras is revealed to be a profoundly transgressive thinker and artist. It will be a must for all concerned with contemporary writing, writing by women, recent European cinema, film and literature.

The Little Horses of Tarquinia

An international best-seller with more than one million copies in print and a winner of France's Prix Goncourt, The Lover has been acclaimed by critics all over the world since its first publication in 1984. Set in the prewar Indochina of Marguerite Duras's childhood, this is the haunting tale of a tumultuous affair between an adolescent French girl and her Chinese lover. In spare yet luminous prose, Duras evokes life on the margins of Saigon in the waning days of France's colonial empire, and its representation in the passionate relationship between two unforgettable outcasts. Long unavailable in hardcover, this edition of The Lover includes a new introduction by Maxine Hong Kingston that looks back at Duras's world from an intriguing new perspective--that of a visitor to Vietnam today.

A distressed young man murders the woman he loves in a café, watched by a large crowd. Fascinated by the crime she has witnessed, Anne Desbordes returns several times to the scene, forming a relationship with a man who also saw the murder, and drinking through the afternoon with him as he patiently answers her eager questions. Slowly, they find themselves being taken over by forces which threaten their own stability. Moderato Cantabile is a carefully woven tapestry of emotion, in which the characters' inner lives are reflected by the story's spaces and landscapes.

Translation has been a crucial process in world culture over the past two millennia and more. In the English-speaking cultures many of the most important texts are translations, from Homer to Beckett, the Bible to Freud. Although recent years have seen a boom in translation studies, there has been no comprehensive yet convenient guide to this essential element of literature in English. Written by eminent scholars from many countries, the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature. It highlights the place of translation in our culture, encouraging awareness of the issues raised, making the translator more 'visible'. Concentrating on major writers and works, it covers translations out of many languages, from Greek to Korean, from Swahili to Russian. For some works (e.g. Virgil's Aeneid) which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available. The Guide is divided into two parts. Part I contains substantial essays on theoretical questions, a pioneering outline of the history of translation into English, and discussions of the problems raised by specific types of text (e.g. poetry, oral literature). The second, much longer, part consists of entries grouped by language of origin; some are devoted to individual texts (e.g. the Thousand and One Nights) or writers (e.g. Ibsen, Proust), but the majority offer a critical overview of a genre (e.g. Chinese poetry, Spanish Golden Age drama) or of a national literature (e.g. Hungarian, Scottish Gaelic). There is a selective
bibliography for each entry and an index of authors and translators.
