What is Meaning?
This volume presents a collection of papers which, with perspectives from Africa and the Caribbean, raise critical issues in the management of solid waste. It is intended to offer a basis for discussion among the wide range of disciplines and sectors involved in solid waste management and suggest directions for future work in the theoretical and practical dimensions of the challenge with which developing countries are confronted. - Back cover. Help Caribbean students understand the society they live in while ensuring full coverage of the 2013 syllabus. - Ensure complete coverage of Units 1 and 2 in a single volume, while giving the students the opportunity to make links between content at both levels. - Illustrate key research for each topic with Caribbean and international studies. - Support learning with exclusive online content, providing additional new material, guidelines to doing the Internal Assessment (IA) and a student friendly approach to research. Bring social studies to life with lively, detailed and clear coverage and plenty of photographs, drawings and activities, with an exciting pan-Caribbean perspective. - Cover the topics Our Land and People, Changing Environment and The Wider World in a course for mixed ability classes of 11-14 year olds, Caribbean wide. In 1915, when a kitchen stove fire singed his sister Mabel's lashes and brows, Tom Lyle Williams watched in fascination as she performed what she called 'a secret of the harem'à€”mixing petroleum jelly with coal dust and ash from a burnt cork and applying it to her lashes and brows. Mabel's simple beauty trick ignited Tom Lyle's imagination and he started what would become a billion-dollar business, one that remains a viable American icon after nearly a century. He named it Maybelline in her honor. Throughout the twentieth century, the Maybelline company inflated, collapsed, endured, and thrived in tandem with the nation's upheavalsà€”as did the family that nurtured it. Tom Lyle Williamsà€”to avoid unwanted scrutiny of his private lifeà€”cloistered himself behind the gates of his Rudolph Valentino Villa and ran his empire from the shadows. Now, after nearly a century of silence, this true story celebrates the life of an American entrepreneur, a man forced to remain behind a maskà€”using his sister-in-law Evelyn Boecherà€”to be his front. Stories of the-great-man-and-how-he-did-it serve as a traditional mainstay of biographies, but with the strong women's book-buying market, a resurgence of interest in memoirs that focus on relationships more than a single man and his accomplishments are more likely to be discussed in women's book groups. The Maybelline Story combines the best of both approaches: a man whose vision rocketed him to success along with the woman held in his orbit. In the way that Rhett Butler ignored the criticism of his peers to carve his own destiny, Tom Lyle Williams shares similar grit and daring. But Rhett without Scarlet wouldn't be much of a story. Evelyn Williams provides the energy of an antagonist. Like Scarlet, we sometimes hate her and want to shake her, but sometimes, we must admit that we hold a grudging respect; we get a kick out of her and even occasionally, love her for her guts and tenacity, and certainly because she carved out a life for herself and insisted on having a voice, even if she was a fly in the ointment for others. The Maybelline story provides other kinds of classic literary satisfaction. We are especially fascinated to slip vicariously into the lives of the rich and privileged yet cheer for the underdog who overcomes obstacles to astound doubters with his success. We are enthralled with the historical sweep of events whose repercussions live on to the present, all elements of The Maybelline Storyà€”which reads like a juicy novel, but is in fact a family memoir, distilled from nine hundred pages of family accounts from the 1920's to present. An engrossing and captivating saga that spans four generations and reveals the humanity, the glamour, and the seedy underside of a family intoxicated by the quest for power, wealth, and physical perfection. It is a fascinating and inspiring tale of ambition, luck, greed, secrecyà€”and surprisingly, above all, love and forgiveness, a tale both epic and intimate, alive with the clash, the hustle, the music, and dance of American enterprise. -- Sharrie WilliamsGlobal environmental change often seems to be the most carefully examined issue of our time. Yet understanding the human side—human causes of and responses to environmental change—has not yet received sustained attention. Global Environmental Change offers a strategy for combining the efforts of natural and social scientists to better understand how our actions influence global change and how global change influences us. The volume is accessible to the nonscientist and provides a wide range of examples and case studies. It explores how the attitudes and actions of individuals, governments, and organizations intertwine to leave their mark on the health of the planet. The book focuses on establishing a framework for this new field of study, identifying problems that must be overcome if we
are to deepen our understanding of the human dimensions of global change, presenting conclusions and recommendations. Developed exclusively with the Caribbean Examinations Council, this Study Guide will provide you with the support to maximise your performance in CSEC English A. Written by a team of experts in the syllabus and the examination, this Study Guide covers all the essential information and has online support. Each topic begins with key learning outcomes and contains a range of features to enhance your study of the subject. Study Guides for CSEC have been developed and written by CXC to provide CSEC candidates in schools and colleges with resource materials to help them prepare for their examinations. Matching the topics in the syllabus, the student-friendly structure and content enable students to develop their skills and confidence as they approach the examination. For CXC students who want to prepare fully for their exams, CXC Study Guides are a series of titles that provide students with additional support to pass the exam. CXC Study Guides are a unique product that have been written by experienced examiners at CXC and carry the board's exclusive branding. Developed exclusively with the Caribbean Examinations Council, this study guide provides you with additional support to maximise your performance in CAPE Communication Studies. Written by an experienced team of teachers and experts in the syllabus and the examination, this study guide covers all the key elements of the syllabus in an easy-to-use double-page format, with a range of features designed to enhance study. Features include activities and tips, as well as examination practice and sample answers to build assessment confidence. Developed exclusively with the Caribbean Examinations Council, this Study Guide will provide you with the support to maximise your performance in CSEC Mathematics. Written by a team of experts in the syllabus and the examination, this Study Guide covers all the essential information in an easy-to-use double page spread format and with online support. The CSEC® Physics Concise Revision Course provides full coverage of the CSEC® Physics syllabus. This book provides comprehensive and authoritative guidance for the course. It adopts a practical, supportive approach to help students with their learning. Revision exam and assessment guidance questions throughout consolidate this learning. * Comprehensive coverage of the CSEC® Physics course, presented in an engaging, full-colour format* Revision questions at the end of each topic help to secure knowledge and understanding* Exam-style questions at the end of each section provide effective practice for the actual exam Answers are available for free at www.collins.co.uk/caribbean Social Studies for CSEC is a comprehensive text for the CXC CSEC syllabus. There are regular features within each chapter which capture skills, present case studies and highlight ideas for SBA. Questioning relevant to topics and themes is graduated from a basic level to exam level questions at the end of chapters to stretch the pupil. This fully revised and updated edition includes twelve new chapters on contemporary topics such as ecological democracy, Native studies, inquiry teaching, and Islamophobia. The Social Studies Curriculum, Fourth Edition updates the definitive overview of the issues teachers face when creating learning experiences for students in social studies. The book connects the diverse elements of the social studies curriculum—civic, global, social issues—offering a unique and critical perspective that separates it from other texts. Completely updated, this book includes twelve new chapters on the history of the social studies; democratic social studies; citizenship education; anarchist inspired transformative social studies; patriotism; ecological democracy; Native studies; inquiry teaching; Islamophobia; capitalism and class struggle; gender, sex, sexuality, and youth experiences in school; and critical media literacy. All the chapters from the previous edition have been thoroughly revised and updated, including those on teaching social studies in the age of curriculum standardization and high-stakes testing, critical multicultural social studies, prejudice and racism, assessment, and teaching democracy. Readers are encouraged to reconsider their assumptions and understanding about the origins, purposes, nature, and possibilities of the social studies curriculum. These Social Studies Guide have been developed exclusively with the Caribbean Examinations Council (CXC(r)) to be used as an additional resource by candidates who are following the Caribbean Secondary Education Certificate (CSEC(r)) programme. They provide candidates with extra support to help them maximise their performance in their examinations. Bringing social studies to life with lively, detailed and clear coverage and plenty of photographs, drawings and activities, with an exciting pan-Caribbean perspective. - Cover the topics Our Land and People, Changing Environment and The Wider World in a course for mixed ability classes of 11-14 year olds, Caribbean wide. Completely matching the CXC syllabus, Electronic Document Preparation and Management for CSEC provides comprehensive coverage and is a key text for all students taking the exam. This book offers plenty of examples showing processes step by step, Activities, Tasks and Test Yourself, along with exercises that meet the requirements of the SBA. Tailored to the CCSSL® syllabus, this textbook takes an interdisciplinary approach to Social Studies and focuses on the development of problem-solving skills, research and interpretation skills, appropriate attitudes and behaviours, and the ability to work collaboratively. It provides ample material to tackle the teaching and learning philosophy of CCSSL including additional support in preparation for the student assessment. Guide provides both in-school and out-of-school candidates with resource materials which should help them in preparing for the CXC Social Studies examinations. Developed with the Caribbean Examinations Council, this Study Guide provides you with support to maximise your performance in CSEC Physical Education and Sport. Written by teachers, examiners and experts in the field, it covers all elements of the syllabus in an easy-to-use double-page-spread format with a range of features to enhance study. "ALEXANDER THE GREAT opened a new era in the history of the world, and by his life's work determined its development for
many centuries. He is conspicuous among the great men of history, because this work was accomplished in so short a span; when he died, he had not yet reached his thirty-third year. It was as a great conqueror that he impressed the popular imagination of every race. He subdued the East and penetrated into India, that land of wonders. The legend about him, equally current in East and West, took him to the limits of the earth and even to the gates of Paradise. The permanent result of his life, however, was not the empire which he won by hard fighting, but the development of Greek civilisation into a civilisation which was worldwide. It is in this way that his influence has affected the history of mankind even down to our own time. He had first to create his empire; the decision of the battlefield had, as usual, to produce the external conditions for the new civilisation.” Originally published in 1932, Ulrich Wilcken's distinguished biography of Alexander the Great is widely regarded as a classic, perfectly capturing Alexander's true achievements and influence. Translated from German by G. C. Richards, Professor of Greek and Classical Literature at Oriel College, Oxford University. Fully meets the requirements of the latest CSEC syllabus - Complete coverage of the core options, plus the options in communications, tourism and consumer affairs, including co-operatives - Practical guidance on how to approach the School-Based Assessment and on the alternative to the School-Based Assessment - Activities develop Social Studies skills and exam practice questions help students prepare for their exam - For CXC students who want to prepare fully for their exams, CXC Study Guides are a series of titles that provide students with additional support to pass the exam. CXC Study Guides are a unique product that have been written by experienced examiners at CXC and carry the board's exclusive branding. Longman Caribbean Geography is a two-book course which has been written to provide students of geography with a firm grounding in the subject. The two books - Caribbean Challenges and The Caribbean and Beyond - can be used in any of years one, two or three of the lower secondary school.
